NEW PIONEER food co-op

work & save

become a working member

join the team

Now that your membership is paid in full, you can contribute to your Co-op's success by lending a hand with store operations. Although no work is required of members, assisting staff with tasks gives you one more way to support your Co-op. Your enthusiasm and energy enhances the friendly atmosphere at the Co-op, and helps to ensure that everyone who shops here has a great experience.

nuts and bolts

New Pioneer members and people who share their households are eligible to become working members. You must be at least 16 years old. Please complete the application at right, then detach and submit it to a cashier, or mail it to the Linn Street address (see address on the back of the application), Attn: Member Services. Before your first shift, you will need to complete an I-9 form, which verifies your identity and eligibility to participate.

connect with the co-op

We will contact you when we receive your application, and we'll do our best to match your interests with available opportunities. You will attend an orientation session and read the working member manual with the Member Services Coordinator. Department managers will provide you with a work assignment and instructions on how to perform your job. The Working Member Coordinator will oversee your schedule and assist you in recording your working member hours.

the big pay off

New Pi gift cards in the amounts shown on the reverse are available from the 15th to the 28th of each month, reflecting the hours worked during the previous month. You may pick up your card at either store—just tell us which location you prefer. After the 28th, pick up your card at the Administrative building at 22 S. Linn Street, Iowa City.
